Hello, Yamato Kase here!
Thank you for reading "Kyouka no
iro iro aru wakete 2!"

Last time the two teachers got
together. And this time they finally
brought their relationship to
completion. That's good, that's
good. They suddenly receive an
idiotic couple.

Personally I really enjoyed drawing
the new character, Iuki. I'd like to
draw him again.

The last manual's volume was a
single story with the theme
"pervert." I'm only drawing strange
some characters so everything is
as it should be. hehehe

I'll be happy if you enjoyed even a
little bit. Please send me your
opinion and comments. ♡

This is all for today. I hope to meet
you again.

My thanks go to
my assistants and
editor.

Figure 1. The effect of the number of trials on the number of correct responses. The number of correct responses was significantly higher for the 10-trial condition than for the 5-trial condition. Error bars represent the standard error of the mean.
